

## CISI Exam Panel Member

Our qualifications are designed, developed and reviewed regularly by senior professional practitioners to ensure they are purpose built for the market and remain relevant. Major banks and financial organisations worldwide use our qualifications to benchmark the knowledge of their staff.

### **Role:**

To ensure that the subject syllabus and exam papers remain up-to-date, appropriate and relevant

### **Specific duties:**

1. To ensure that syllabus learning objectives continue to reflect current industry practice and regulation
2. To determine the flow of topics in the syllabus
3. To ensure that the question weighting of each exam accurately reflects the learning objectives
4. To agree exam papers as accurate and fit for purpose
5. To attend at least one panel meeting a year in order to fulfil the duties outlined above

Please note, due to the confidential nature of the work involved, panel members will be required to sign a confidentiality agreement. Panel membership will be regularly refreshed at the discretion of the CISI.

### **Role requirements:**

- Possess at least five years' relevant industry experience
- Understand the relevant subject area, the related job roles and relevant sector practices
- Hold a relevant CISI qualification or equivalent
